Maine PRESCRIBED FIRE TRAINING EXCHANGE (Trex)

September 14 - 26, 2025
Porter, ME

Questions? E-mail: timothy.a.bickford2.nfg@army.mil & jbailey@tnc.org

The objective of the two-week Trex program in Maine is to facilitate peer-to-peer, experiential learning for prescribed fire professionals and others interested in advancing innovative tools to restore fire-adapted ecosystems and is being designed to support states and provinces interested in hosting their own Trex to increase prescribed fire capacity across the region.

Participants will engage in hands-on training in the ecology of fire-adapted ecosystems, communications and community outreach, prescribed fire monitoring, operational assignments, prescribed fire use, cultural fire and collaboration among a diverse array of participating individuals and organizations.

Application Period
February 1 – May 1, 2025
Registration fee: \$500,
includes housing and all meals

To learn more visit the [Trex Toolkit](https://mainerxfire.wixsite.com/merxfire/maine-trex) & <https://mainerxfire.wixsite.com/merxfire/maine-trex>

These Trex are supported by *Promoting Ecosystem Resilience and Fire Adapted Communities Together*, a cooperative agreement between TNC, USDA Forest Service and agencies of the Department of the Interior. An equal opportunity provider.
