

**“Taking an all-lands approach to burning”**

## 16 May WEDNESDAY

8:00 - Depart Wesleyan Camp as four groups that rotate traveling to field trip stops. We will eat lunch together.

	8:45-9:00	9:30-10:15	10:45-11:30	12:00-1:00	1:30-2:15	2:45-3:15	3:45-4:30
Group 1	Andrew Pickens Stumphouse Ranger Station	State Line	Russell Fields	Lunch at Chattooga Belle Farm	Garland Tract	Turkey Ridge	Keowee-Toxaway State Park
Group 2		Russell Fields	State Line		Turkey Ridge	Garland Tract	
Group 3		Garland Tract	Turkey Ridge		State Line	Russell Fields	
Group 4		Turkey Ridge	Garland Tract		Russell Fields	State Line	

5:00 - Arrive back at Wesleyan Camp

**Russell Fields Prescribed Burn Unit** – Don Hagan, Assistant Professor, Clemson University; Helen Mohr, USFS, Forester  
*Burn unit contains research plots for the JFSP-funded seasonality of burn study, FLN monitoring plots and a cane restoration study area.*

**State Line Prescribed Burn** – Brian Browning, USFS, FMO, Nantahala Ranger District  
*Cooperative burn between the Sumter National Forest and the Nantahala NF – this burn unit spans 2 states and 2 national forests.*

**Garland Tract** – Chris Holcomb, USFS, Wildlife Technician, Andrew Pickens Ranger District  
*Burn unit was historically an apple orchard and the apple trees were removed before the USFS purchased it in 1996. By 2001 SCDNR created what is known as the Long Creek Tract, which encompasses this unit. This special WMA is solely managed for small game habitat enhancement and has been kept in early successional stages with the use of prescribed fire on short rotations.*

**Turkey Ridge Burn Unit** – Victor Wyatt, USFS, Silviculturist, Andrew Pickens RD  
*Shortleaf restoration site where planted loblolly has been harvested and has been site prep burned and planted with shortleaf, Table Mountain and pitch pine species.*

**Keowee Toxaway State Park and Burn Unit** – Caity Homan, SCSP, Biologist; Joe Lemeris SCDNR former SCSP Biologist; Michael Weeks, SCFC, West Unit Forester; Wes Bentley, USFS, AFMO Andrew Pickens RD  
*This burn was completed in conjunction with SC Forestry Commission. Hear about the SC State Parks burn program in the mountains of South Carolina.*

**Chattooga Belle Farm** – Mr. Land, Owner of Chattooga Belle Farm  
*A landowner perspective of the prescribed fire program on the Andrew Pickens RD.*

\*Hard hats are required for USFS personnel (bring your own) and strongly encouraged for all attendees. Please wear hiking shoes (expect to hike up to 1 mile) and be prepared for rain and inclement weather.  
 Bring sun screen and bug spray.

Dinner will be at the Camp. We will announce a suggested meet-up place for later in the evening for those interested.

*“Taking an all-lands approach to burning”*

---

## 17 May THURSDAY

*Morning Master of Ceremonies: Helen Mohr*

8:00-9:30	Review what monitoring datasets are telling us Discussion: What products or information would increase your unit’s incorporation of monitoring data in burn decision making?	Bob Cherry (USFS) Rob Klein (NPS) Margit Bucher (TNC) Don Hagan (Clemson University) Peter Bates (Western Carolina U.) Adam Coates (Virginia Tech.)
9:30-9:50	<i>Break</i>	
9:50-10:20	Making the best out of your fire/spot weather forecasts	Lara Pagano (NWS)
