*The objective of the two-week TREN program in Central Oregon is to facilitate peer-to-peer, experiential learning for prescribed fire professionals and others interested in advancing innovative tools to restore fire-adapted ecosystems.*

*Participants will engage in hands-on training in the ecology of fire-adapted ecosystems, communications and community outreach, prescribed fire monitoring, operational assignments, prescribed fire use, and collaboration among a diverse array of participating individuals and organizations.*

**STAY TUNED FOR  
MORE INFORMATION &  
APPLICATION MATERIALS  
IN JANUARY 2024**

These TREN are supported by *Promoting Ecosystem Resilience and Fire Adapted Communities Together*, a cooperative agreement between TNC, USDA Forest Service and agencies of the Department of the Interior. An equal opportunity provider.
